We are sailing out of Jolly Harbor, which has good facilities including a good grocery store and several restaurants within the marina complex.

Trip participants should feel comfortable at the helm in 15 to 20 knot winds Due to wind & water conditions, there will only be (1) beginner per boat. As with many club trips, I will have to make sure I have enough expert & advanced sailors on the trip before I confirm reservations from intermediate club members.

Ports of call are the secluded island of Barbuda, where conditions permitting, we can buy fresh lobster and tour the largest Frigate bird rookery in the world. Our only other scheduled port of call will be to Falmouth Harbor, where we can gaze at the mega-yachts and tour Nelson's ship yard, England's base of operations in the Caribbean in the 1800's. The rest of the trip, we will be anchored out at night, eating on board.
